SUBJECT: Long Term Care Insurance

The contract for a voluntary Long Term Care (LTC) plan for State employees was awarded by the HCC to ACSIA Partners on April 20, 2015. The contract is set to expire December 31, 2018. A renewal offer to extend this program has been received and reviewed by staff. ACSIA Partners has proposed a three (3) year extension of the contract with the same terms as the original contract. ACSIA Partners LLC is one of the largest distributors of Long Term Care and related insurance products and services in the country.

A LTC insurance policy will pay benefits for services that covered members receive at home (such as cooking, cleaning, laundry, grooming and assistance with other activities of daily living), or in an assisted living facility or a nursing home. LTC is available to the employee, spouse, children, parents, parents-in-law, grandparents, and grandparents-in-law.

This is a voluntary benefit and is fully funded by the member.
